

Robert Half Named One of the TIME World's Best Companies 2023

TORONTO, Sept. 12, 2023 /CNW/ - Global talent solutions and business consulting firm Robert Half (NYSE: RHI), including its subsidiary, Protiviti, has been honored by TIME Magazine as one of the [World's Best Companies](#) 2023. This list recognizes top companies across the globe that are highly successful in three key areas: employee satisfaction, revenue growth and sustainability.

Established just this year, the TIME Magazine World's Best Companies were determined by an independent survey of nearly 150,000 employees in 58 countries. The survey evaluated image, atmosphere, working conditions, salaries and equality at global employers, based on employee responses. Other factors considered were environmental, social and governance data and positive revenue growth from 2020 to 2022.

"Being named one of the World's Best Companies is a significant achievement and a testament to our purpose, our organizational culture and, most importantly, our employees," said M. Keith Waddell, president and CEO of Robert Half. "Our continued success is made possible by our commitment to our values and doing what's best for our employees, customers and communities around the world."

Robert Half delivers a world-class experience to its employees through flexible work options, wellness offerings and employee network groups, as well as resources to help individuals connect, thrive and grow.
